

WARRAH

Self -Determination - Creativity -Contribution

Health Care Coordinator

Warrah is a not for profit Rudolf Steiner organization providing a range of engaging, responsive services for children and adults with intellectual disability that maximizes each person's capacity for self-determination, creativity and contribution. Warrah is known for its unique approach, innovative delivery and outstanding results in the provision of support that serves the needs and aspirations of individuals with intellectual disabilities.

An exciting and rewarding opportunity exists for a highly motivated, enthusiastic and empathetic registered nurse to join our dedicated and passionate Residential Services team as the Health Care Coordinator on a permanent part time basis.

As Health Care Coordinator you will provide guidance, support and advice in all aspects of client health. You will work alongside our clients, staff, families and other agencies to contribute to whole of life planning that supports individuals to achieve optimum health, supporting their quality of life.

You will provide support and assistance to our dynamic and caring team of staff to ensure best practice in client health is delivered through assessment, planning, implementation and review of client health care needs to optimise health and wellbeing.

This is a valuable and challenging role, excellent interpersonal, communication and problem solving skills are essential to this position.

Please address each of the selection criteria listed below in your application cover letter.
