A workshop-style presentation by practitioners of anthroposophic medicine to offer insights to health professionals who seek inspiration out of this unique integrative health model. Demonstrations and discussions will cover general medicine, nursing, counselling, massage, naturopathy-homoeopathy, nutrition, curative eurythmy and art therapy.

This workshop is intended to encourage interest in attending the **International Post Graduate Training (IPMT) for Anthroposophical Medicine**, held in Brisbane this July but is also open for all health/medical students and practitioners.
