

COSMIC EARTHLY NUTRITION

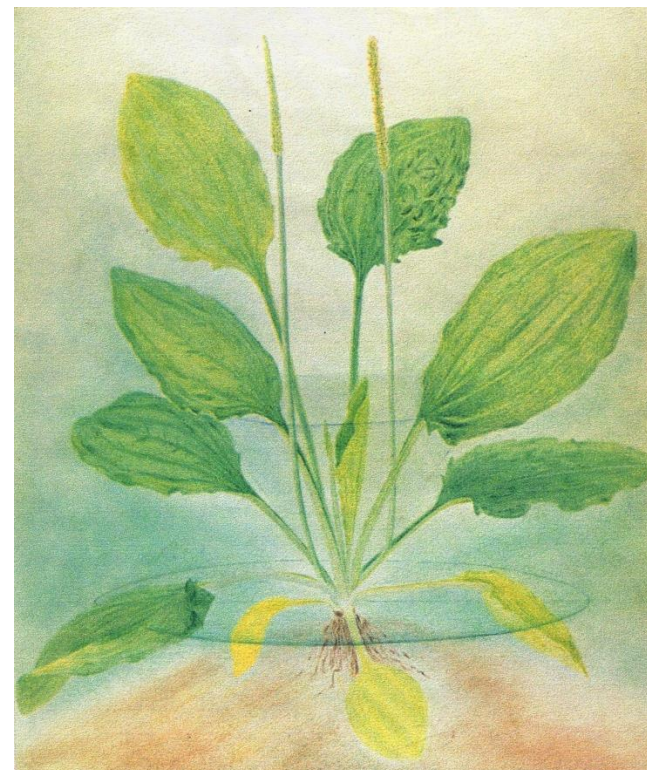

a talk given at the

Michael Centre

Wellington Park drive,

Warranwood

On Thursday the 30th of
April from 7pm to 10pm

Irmhild will explore the true nature of nutrition in terms of the signature of food substances and their hidden nutritional forces that unfold within the process of digestion. She will also discuss cosmic nutrition, which has been entirely overlooked in the materialistic view of nutrition.

Irmhild Kleinhenz has had thirty years of experience in consultation, teaching and practice of Anthroposophic Health Care. She is a tutor and mentor for health professionals who wish to pursue a vocation in Anthroposophic healing. Irmhild brings her knowledge and deeper insights into spiritual science to share with those who are open hearted and willing to explore the profound mysteries of healing and the destiny of the human being.
